TAX OVERRIDE ELECTION

11/03/09

The Governing Board of the Morristown Elementary School District No. 75 called for this special override election. The election requests voter authorization so that the District may continue to exceed certain budget revenue limits pertaining to a Maintenance and Operation Budget ("*M&O Budget*"). The District has authority to exceed the revenue limit but that authority automatically phases out during school years 2009-2010 unless extended by the electors voting at the Election.

These estimates are based upon information from the prior year. An owner occupied residence whose assessed valuation is the average assessed valuation of property classified as class three for the current year in the school district: A home valued at **\$238,650** would have been assessed at **10% or \$23,865** to produce an additional tax rate of **\$0.1209** per hundred dollars of assessed valuation, costing the taxpayer **\$28.85 for the year.**

PTSA MEMBERSHIP DRIVE

Information will be sent home soon regarding the Fall Membership Drive Class Competition. Individual Memberships are \$4. Please consider extending membership to your children (they are the **S** in PTSA!), and other family members who would like to support the school (Grandparents, Aunts, and Uncles are great resources for helping at the school and with other activities).

REGISTER TO VOTE

You will find a **Voter Registration form** and an **Early Ballot request form** attached to this newsletter, to help you prepare for the upcoming election. I love the early ballot - it's quick, easy, and convenient for our busy family! If you are already a registered voter, please pass it on to a neighbor or friend. If you need additional forms or have any questions, please do not hesitate to call me. Let's exercise our rights as citizens!
